

## **Parent Covenant**

## **Covenant Christian Academy**

*While not all-inclusive, below are the key expectations for parents at our school. For more information, please review the Parent-Student Handbook.*

1. I will continue the spiritual training of my child(ren) at home and regularly attend a Bible-believing church.
2. I agree with the Covenant Christian Academy Statement of Faith.
3. I will adhere to the policies set forth in the CCA Parent/Student Handbook.
4. I will ensure that my student(s) is healthy before going to school, and is prompt and regular in attendance.
5. I will be involved at a grade appropriate level with my child(ren)'s education at home, realizing my child's education is ultimately my responsibility.
6. I will regularly access the parent web portal for important communications including the school calendar, homework assignments, announcements, etc.
7. I commit to pay all CCA financial obligations in a timely manner.
8. If I have a concern about the school or its programs, I will utilize the guidelines found in Matthew 18:15 and in the Parent/Student Handbook. I will address concerns with the person most directly involved, and will not communicate them through any form of gossip, including social media.
9. I understand that disrespect toward staff members, students, or other parents is inappropriate and that repeated disregard of school policies from students or parents puts the student's/family's participation in CCA in jeopardy.
10. I will support CCA through prayer and a positive, constructive attitude.
