

Business Partner Sponsorship Program

Gain important exposure for your business with the CCA community by becoming a Business Partner through our Sponsorship Program.

As a partner, your business will be recognized on our sponsorship wall in the gymnasium and/or the athletic field. Each game and event we host is an opportunity to highlight your business with our families, fans, and local opponents.

We are proud to offer students the opportunity to grow through Athletics and Fine Arts. Your sponsorship helps fund vital resources such as equipment, uniforms, travel, tournament fees, and facility upgrades.
